Kuhnke Vico 1004 WEB

67780021

The Kuhnke Vico 04 series is a powerful indicator with an industrial design for the realisation of modern operating concepts. The installed software package includes the Chromium web browser and creates the possibility to visualise data from one or more arbitrary controllers with web server on a remote Kuhnke Vico 04. The visualisation takes the form of web pages based on HTML5 and JavaScript.

The Kuhnke Vico 04 series is based on a powerful ARM Cortex-A8 processor combined with a resistive touch display. All components are robust and long-term available.

- widescreen display with LED backlight
- ARM Cortex-A8 processor technology with graphics acceleration
- Industrial construction
- Chromium web browser

DESCRIPTION	VALUE
Configuration	Chromium web terminal
Function	Touch Panel, web terminal
Model	Panel front Built-in unit
Product status	Standard product
Display	10.1" wide
Resolution	1024 x 600, WSVGA
Processor	ARM Cortex-A8 - 1 Ghz
Operating system	Linux
Main memory	512 MB
Drive	Flash
Interfaces	1 x LAN, 1 x USB, 1 x RS-232/485/422
Housing material	Plastic with inlay foil
Data memory	Flash disk 4 GB
Dimensions (W x H x D)	282 x 197 x 35 mm
IP-Protection Class	IP 66 / IP 20
Status indication	-
Supply voltage	24 VDC / (10 VDC ... 32 VDC)
Temperature range	0 ... +55°C
