Kendrion reports transactions details under its current share buyback program

Amsterdam, 25 March 2026 – Kendrion has repurchased 56,149 of its ordinary shares in the period from 18 March 2026 up to and including 24 March 2026. The shares were repurchased at an average price of EUR 16.86 per share for a total consideration of EUR 946,389.08.

To date, a total of 662,015 shares has been repurchased under this program for a total consideration of EUR 9,999,990.48 at an average price of EUR 15.11.

These repurchases were made as part of the EUR 10 million share buyback program announced on 11 November 2025.

Kendrion will publish overviews of all transactions carried out under this program on a weekly basis in the Investor Relations section of its website.

Profile of Kendrion N.V.

Kendrion develops, manufactures, and markets high-quality electromagnetic systems and components for a broad range of industrial applications. For more than a century, we have engineered precision parts for the world's leading innovators in industrial technology. As a leading technology pioneer, Kendrion invents, designs, and manufactures complex components and customized systems, including local solutions on demand.

We are committed to the engineering challenges of tomorrow, with responsibility for how we source, manufacture and conduct business embedded in our culture of innovation. Headquartered in the Netherlands and listed on the Amsterdam stock exchange, Kendrion's expertise extends across Europe, to the Americas and Asia. Created with passion and engineered with precision.
